This two-week period brought good weather conditions with no rain for the crew of nine workers.

The drywall repairs on the 03 and 04 master bedroom stacks are complete. All interior finishes are completed except for unit 1103.

The crew continued their focused efforts on the window installations at the 04 and 05 stacks. The east facing guest bedroom windows of unit 1805 was installed. The east facing master bedroom windows of 1604, and 404 were installed. The living room north and living room east windows of units 1604 and 1404 were installed.

Plaster matching and drywall as needed at the interior return walls quickly followed.
